## SOME WORDS OF THE EDITOR.

The Handbook is not official. It is the private enterprise of a servant of the Church who desires simply to supply a long-existing want in North Carolina Methodism—a book which will serve as a compendium of practical information touching the Methodist Episcopal Church, South, in the Old North State. While the Handbook is not a history, it is a compendium of information which cannot be obtained elsewhere in one publication. In fact, the Handbook contains much which has never met the eye of a reader. For instance, it contains the only list ever printed of the Sunday school Superintendents of the M. E. Church, South, in North Carolina.

This is not a Year Book. It is only a *tout ensemble* of Methodism in the State. For minute statistical information, it will be necessary to apply to the Conference Journals. The almanac feature, I am sure, will be appreciated. We have long needed a Methodist Almanac. If you wish to know what Methodism in the State has been, what she is now, and what she proposes to be, you will find the information in this publication. It is such a publication as will be in place by the fireside, in the study, the prayer meeting, Sunday school, Epworth League, and Stewards' meeting. The illustrations are as fine as have ever appeared in a publication of this kind.

Of course, some mistakes will be found in the Handbook. Only remember the many sources from which information has been drawn, the difficulty in getting adequate answers to letters of inquiry, and the bulk of matter contained.

In preparing this Handbook, I have considered Conference lines only in the arrangement of the matter. This is not a Conference publication. It is a North Carolina Methodist Handbook and Almanac. It is in the interest of our beloved Church. It craves a place in every Methodist home in the State. Its wide circulation and consequent usefulness, brought about by the active interest of our preachers and laymen, whose influence and aid are expected, will fully compensate for the expenditure of labor and money involved in its publication.

----- I believe  
In one priest, and one temple, with its floors  
Of shining jasper, gloomed at morn and eve  
By countless knees of earnest auditors,  
And crystal walls too lucid to perceive.

That none may take the measure of the place  
And say, "So far the porphyry" then the flint;  
To this mark mercy goes and there ends grace."

ELIZABETH BARRETT BROWNING.

**Articles of Religion.**

## I.

“There is but one living and true God, everlasting, without body or parts ; of infinite power, wisdom, and goodness ; the maker and preserver of all things, both visible and invisible. And in unity of this Godhead, there are three persons of one substance, power, and eternity—the Father, the Son, and the Holy Ghost.

## II.

“The Son, who is the Word of the Father, the very and eternal God, of one substance with the Father, took man’s nature in the womb of the blessed Virgin ; so that two whole and perfect natures—that is to say, the Godhead and manhood—were joined together in one person, never to be divided, whereof is one Christ, very God and very man, who truly suffered, was crucified, dead, and buried, to reconcile his Father to us, and to be a sacrifice, not only for original guilt, but also for actual sins of men.”

## III.

“Christ did truly rise again from the dead, and took again his body, with all things appertaining to the perfection of man’s nature, wherewith he ascended into heaven, and there sitteth until he returns to judge all men at the last day.”

## IV.

“The Holy Ghost, proceeding from the Father and the Son, is of one substance, majesty, and glory, with the Father, and the Son, very and eternal God.”

## V.

The Holy Scriptures contain all things necessary to salvation ; so that whatsoever is not read therein, nor may be proved thereby, is not to be required of any man, that it

should be believed as an article of faith, or be thought requisite or necessary to salvation. In the name of the Holy Scriptures, we do understand those canonical books of the Old and New Testaments, of whose authority was never any doubt in the Church."

Repeat the canonical books.

"Genesis, Exodus, Leviticus, Numbers, Deuteronomy, Joshua, Judges, Ruth, The First Book of Samuel, The Second Book of Samuel, The First Book of Kings, The Second Book of Kings, The First Book of Chronicles, The Second Book of Chronicles, The Book of Ezra, The Book of Nehemiah, The Book of Esther, The Book of Job, The Psalms, The Proverbs, Ecclesiastes, or the Preacher, Cantica, or Songs of Solomon, Four Prophets the greater, Twelve Prophets the less. All the books of the New Testament, as they are commonly received, we do receive and account canonical."

## VI.

"The Old Testament is not contrary to the New; for both in the Old and New Testaments, everlasting life is offered to mankind by Christ, who is the only Mediator between God and man, being God and man. Wherefore, they are not to be heard who feign that the old fathers did look only for transitory promises. Although the law given from God by Moses, as touching ceremonies and rites, doth not bind Christians, nor ought the civil precepts thereof of necessity to be received in any commonwealth, yet, notwithstanding, no Christian whatsoever is free from the obedience of the commandments which are called moral."

## VII.

"Original Sin standeth not in the following of Adam (as the Pelagians do vainly talk), but it is the corruption of the nature of every man, that naturally is engendered of the offspring of Adam, whereby man is very far gone from original righteousness, and of his own nature inclined to evil, and that continually."

## VIII.

“The condition of man after the fall of Adam is such, that he cannot turn and prepare himself, by his own natural strength and works, to faith, and calling upon God; wherefore, we have no power to do good works, pleasant and acceptable to God, without the grace of God by Christ preventing us, that we may have a good will, and working with us, when we have that good will.”

## IX.

“We are accounted righteous before God, only for the merit of our Lord and Saviour Jesus Christ, by faith, and not for our own works and deservings: wherefore, that we are justified by faith only, is a most wholesome doctrine, and very full of comfort.”

## X.

“Although good works, which are the fruits of faith, and follow after justification, cannot put away our sins, and endure the severity of God’s judgment; yet they are pleasing and acceptable to God in Christ, and spring out of a true and lively faith, insomuch that by them a lively faith may be as evidently known as a tree is discerned by its fruit.”

## XI.

“Voluntary works, besides over and above God’s commandments, which are called works of supererogation, cannot be taught without arrogancy and impiety. For by them men do declare that they do not only render unto God as much as they are bound to do, but that they do more for his sake than of bounden duty is required: whereas Christ saith plainly, When ye have done all that is commanded you, say, “We are unprofitable servants.”

## XII.

Not every sin willingly committed after justification is the sin against the Holy Ghost and unpardonable. Where-

fore, the grant of repentance is not to be denied to such as fall into sin after justification: after we have received the Holy Ghost, we may depart from grace given, and fall into sin, and, by the grace of God, rise again and amend our lives. And, therefore, they are to be condemned who say they can no more sin as long as they live.

### XIII.

“The visible Church of Christ is a congregation of faithful men, in which the pure word of God is preached, and the sacraments duly administered, according to Christ’s ordinance, in all those things that of necessity are requisite to the name.”

### XIV.

“The Romish doctrine concerning purgatory, pardons, worshiping and adoration, as well of images as of relics, and also invocation of saints, is a fond thing, vainly invented, and grounded upon no warrant of Scripture, but repugnant to the word of God.”

### XV.

“It is a thing plainly repugnant to the word of God, and the custom of the Primitive Church, to have public prayer in the church, or to minister the sacraments, in a tongue not understood by the people.”

### XVI.

#### OF THE SACRAMENTS.

Sacraments, ordained by Christ, are not only badges or tokens of Christian men’s profession, but rather they are certain signs of grace, and God’s good-will toward us, by the which he doth work invisibly in us, and doth not only quicken, but also strengthen and confirm our faith in him.

There are two sacraments ordained of Christ our Lord in the gospel; that is to say, Baptism and the Supper of the Lord.

Those five commonly called sacraments—that is to say, confirmation, penance, orders, matrimony, and extreme unction—are not to be counted for sacraments of the gospel, being such as have partly grown out of the corrupt following of the apostles; and partly are states of life allowed in the Scriptures, but yet have not the like nature of baptism and the Lord's Supper, because they have not any visible sign or ceremony ordained of God.

The sacraments were not ordained of Christ to be gazed upon, or to be carried about; but that we should duly use them. And in such only as worthily receive the same they have a wholesome effect or operation; but they that receive them unworthily purchase to themselves condemnation, as St. Paul saith, 1 Cor. xi. 29.

#### XVII.

“Baptism is not only a sign of profession, and mark of difference, whereby Christians are distinguished from others that are not baptised, but it is also a sign of regeneration, or the new birth. The baptism of young children is to be retained in the Church.”

#### XVIII.

“The Supper of the Lord is not only a sign of the love that Christians ought to have among themselves one to another, but rather is a sacrament of our redemption by Christ's death: insomuch that to such as rightly, worthily, and with faith, receive the same, the bread which we break is a partaking of the body of Christ; and likewise the cup of blessing is a partaking of the blood of Christ.

“Transubstantiation, or the change of the substance of bread and wine in the Supper of the Lord, cannot be proved by Holy Writ, but is repugnant to the plain words of Scripture, overthroweth the nature of a sacrament, and hath given occasion to many superstitions.

“The body of Christ is given, taken, and eaten, in the

Supper, only after a heavenly and spiritual manner. And the means whereby the body of Christ is received and eaten, in the supper, is faith.

“The sacrament of the Lord’s Supper was not by Christ’s ordinance reserved, carried about, lifted up, or worshiped.”

#### XIX.

“The cup of the Lord is not to be denied to the lay people; for both the parts of the Lord’s Supper, by Christ’s ordinance and commandment, ought to be administered to all Christians alike.”

#### XX.

“The offering of Christ, once made, is that perfect redemption, propitiation, and satisfaction for all the sins of the whole world, both original and actual; and there is none other satisfaction for sin but that alone. Wherefore the sacrifice of masses, in which it is commonly said that the priest doth offer Christ for the quick and the dead, to have remission of pain or guilt, is a blasphemous fable and dangerous deceit.”

#### XXI.

“The ministers of Christ are not commanded by God’s law either to vow the estate of single life, or to abstain from marriage; therefore it is lawful for them, as for all other Christians, to marry at their own discretion, as they shall judge the same to serve best to godliness.”

#### XXII.

“It is not necessary that rites and ceremonies should in all places be the same, or exactly alike; for they have been always different, and may be changed according to the diversity of countries, times, and men’s manners, so that nothing be ordained against God’s word. Whosoever, through his private judgment, willingly and purposely doth openly break the rites and ceremonies of the Church to

which he belongs, which are not repugnant to the word of God, and are ordained and approved by common authority, ought to be rebuked openly, that others may fear to do the like, as one that offendeth against the common order of the Church and woundeth the consciences of weak brethren.

“Every particular Church may ordain, change, or abolish rites and ceremonies, so that all things may be done to edification.”

### XXIII.

“The President, the Congress, the General Assemblies, the Governors, and the Councils of State, *as the delegates of the people*, are the rulers of the United States of America, according to the division of power made to them by the Constitution of the United States, and by the Constitution of their respective States. And the said States are a sovereign and independent nation, and ought not to be subject to any foreign jurisdiction.”

### XXIV.

“The riches and goods of Christians are not common, as touching the right, title, and possession of the same, as some do falsely boast. Notwithstanding, every man ought, of such things as he possesseth, liberally to give alms to the poor according to his ability.”

### XXV.

“As we confess that vain and rash swearing is forbidden Christian men by our Lord Jesus Christ and James his apostle, so we judge that the Christian religion doth not prohibit, but that a man may swear when the magistrate requireth, in a cause of faith and charity, so it be done according to the prophet’s teachings, in justice, judgment, and truth.”

## Prominent Doctrines of Methodism.

---

UNIVERSAL REDEMPTION.—This is the doctrine that the atonement of Jesus Christ is universal in its extent and purpose, being sufficient to expiate the sins of the whole human race. This is Arminianism as distinguished from Calvinism, which teaches that Christ died exclusively for the elect. Armenianism teaches that Christ died for all men, and that salvation is for all men. Heb. ii: 9; John iii: 16; I Timothy ii: 3; II Cor. 5: 15.

REPENTANCE.—This is such a sorrow for sin as leads to a confession and renunciation of sin, with an earnest purpose to obey God's law as revealed in His Word and in Jesus Christ; in short, to accept Christ as a Saviour. Repentance is made possible through the Holy Spirit. It is a duty laid upon all men. Acts xvii: 30; Isa. lv: 7; Luke xiii: 5.

JUSTIFICATION BY FAITH.—Justification means the forgiveness of sins, and is that "divine judicial act which applies to the sinner, believing in Christ, the benefit of the atonement." Justification is by faith and only through the merit of Christ and is proved by works. John iii: 16; Rom. v: 1; iv: 5; iii: 28.

REGENERATION.—Regeneration is being born again spiritually, so that a change of heart is experienced. The efficient cause is the Holy Spirit." "Justification is the removal of guilt, while regeneration is the removal of the pollution of sin. Justification is an act taking place in the Court of Heaven, while regeneration is a work performed by the Holy Spirit *in and upon the soul of the believer.*"—*Methodist Armor*. Regeneration is a necessity. John iii: 3; II Cor. v: 17.

WITNESS OF THE SPIRIT.—“By the witness of the Spirit, I mean an inward impression on the soul, whereby the Spirit of God, immediately and directly, witnesses to my spirit that I am a child of God; that Jesus Christ hath loved me and given himself for me; that all my sins are blotted out, and I, even I, am reconciled to God.”—*John Wesley*. This doctrine teaches us that we may *know* that we are the children of God. Rom. viii: 16; Gal. iv: 6; Rom. v: 5.

SANCTIFICATION.—“Sanctification is that work of God’s grace by which we are renewed after the image of God, set apart for his service, and enabled to die unto sin and live unto righteousness. It comprehends all the graces of knowledge, faith, repentance, love, humility, zeal, and patience, and the exercise of them toward God and man.”—*Richard Watson*. “It is the conformity of heart and life to the law of God, the casting out of these inbred sins, the purification of the moral nature, and the restoration of the image of God.”—*Methodist Armor*. I Thess. v: 23; Heb. x: 10; I Thess. iv: 3.

THE POSSIBILITY OF FINAL APOSTASY.—This doctrine teaches that it is possible for one who has been regenerated to fall away, and be finally lost. This doctrine is taught in the Old Testament. Ezek. xxxiii: 12–20. It is taught in the New Testament. Heb. vi: 4–8; John xv: 1–6; Heb. iii: 14; I Tim. i: 19, 20.

## Orders and Government.

---

### ORDERS IN THE MINISTRY.

There are two orders in the Methodist ministry—deacons and presbyters. Deacons are a subordinate order of the ministry. Stephen was one of the seven deacons. From Acts vii, and Acts viii, 5, we learn that he was a preacher. Philip was a deacon and preached the gospel to the eunuch. Hence we conclude that the deaconship is a ministerial order.

A presbyter or elder is a higher order and office. His duty is to preach, administer the ordinances, ordain, and govern the churches. I Peter v: 1, 2; Heb. xiii: 17; I Tim.: iv, 14.

Bishops and elders were originally the same. But now a Bishop is an elder who, for greater convenience in ordination, and for greater efficiency in government, is elected by other elders as a general superintendent. The office of Bishop was recognized in the early Christian Church, and is perpetuated in the Methodist Church.

### Government.

The law-making body of the Methodist Church is the General Conference, in which supreme authority is vested. It is composed of one clerical member for every forty-eight members of each Annual Conference, and an equal number of lay members. The General Conference makes the rules and regulations of the Church, but cannot (1) “revoke, alter, or change the Articles of Religion, or establish any new standards or rule of doctrine contrary to our existing and established standards of doctrine”; (2) allow more than one representative for every eighteen members of the Annual Conference, nor allow a less number than one for every sixty; (3) “change or alter any part or rule of government

so as to do away with episcopacy or destroy the plan of the general itinerant superintendency; (4) revoke or change the General Rules; (5) take away the privileges of a preacher or a member of a trial by committee, and an appeal; (6) appropriate the produce of the Publishing House to any other purpose than for the benefit of the travelling, supernumerary, superannuated and worn out preachers, their wives, widows, and children.

The Annual Conference is composed of all the itinerant preachers in full connection, and four lay delegates from each Presiding Elder's District within certain territorial limits defined by the General Conference. Its business is to receive reports of the year's work, to receive on trial or into full connection; to administer discipline, to provide for election to deacons or elders' orders, to promote the various enterprises of the Church, to distribute funds and to appoint preachers to their work.

The District Conference is held annually in each Presiding Elder's District, and is composed of all the preachers in the District, both travelling and local, including superannuated preachers; also of laymen, the number of which each Annual Conference may determine for itself. Its business, in general, is to take a general survey and oversight of all the temporal and spiritual affairs of the District, to elect four delegates to the Annual Conference, and to recommend suitable candidates to the Annual Conference for deacons or elders' orders in the local connection, or for admission or readmission into the traveling connection.

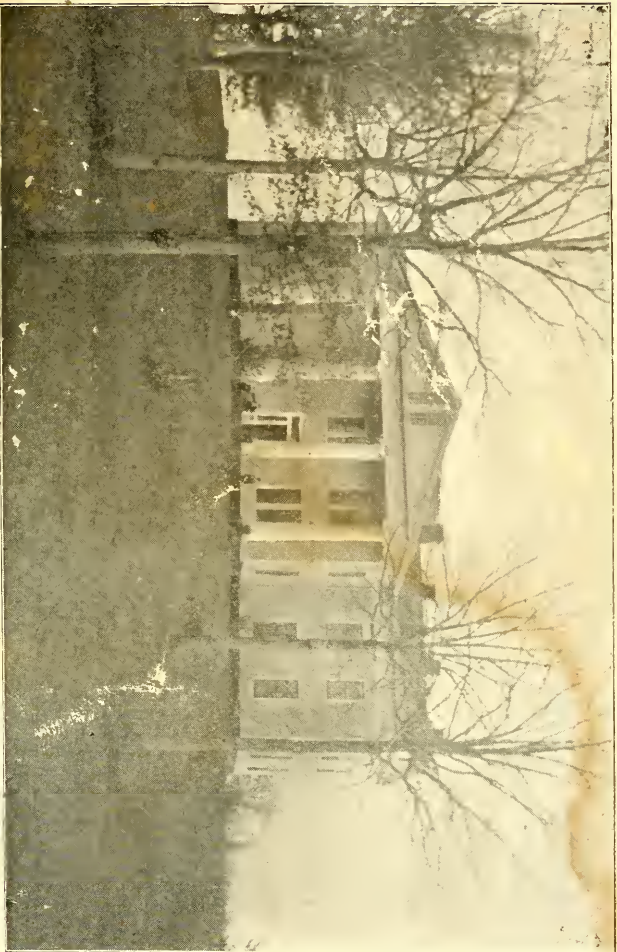

The Quarterly Conference is an official meeting held four times a year in each pastoral charge, to transact the business of the charge.

The Quarterly Conference is composed of all traveling and local preachers, including superannuated preachers, exhorters, stewards, trustees who are members of the church, class leaders, male superintendents of the Sunday schools, who are members of the church, secretaries of

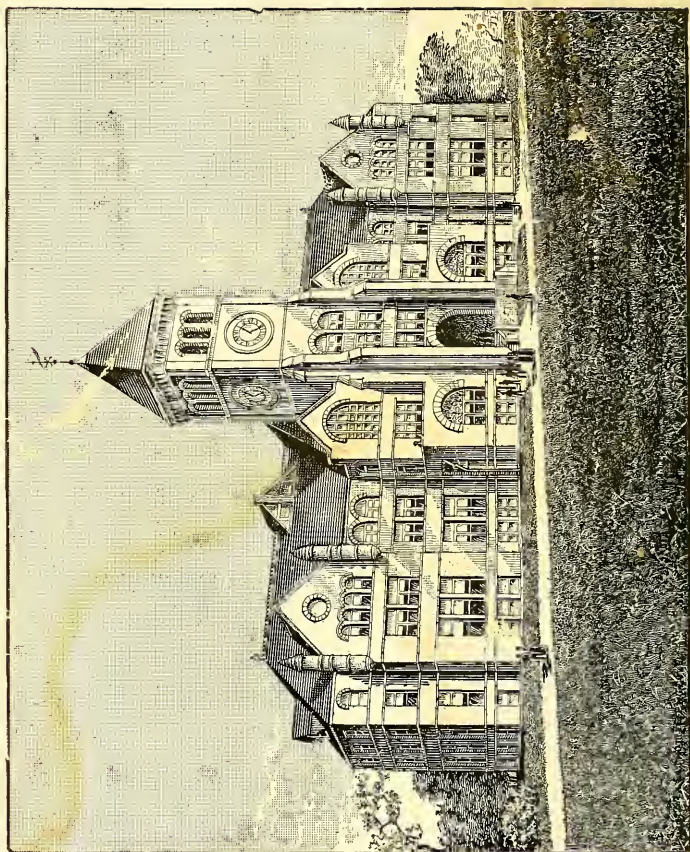

Church Conferences, and presidents of Senior Epworth Leagues who are eligible.

The Quarterly Conference elects superintendents of Sunday schools, confirms officers of Epworth Leagues, elects trustees and stewards, passes the characters of local preachers and exhorters, renews the licenses of exhorters, administers discipline in case of local preachers, hears appeals of complaints of members, and recommends to the District Conference proper persons for license to preach.

The Church Conference is composed of all the members of the church in the charge, and resident members of the Annual Conference, and must be held on stations once a month, and on circuits at least every three months. Its object is to bring before the members the temporal and and spiritual condition of the Church, and to promote activity among the members.

## Infant Baptism.

---

### I. INFANT BAPTISM AS TAUGHT IN THE OLD TESTAMENT.

In tracing back the history of the Jewish Church, we find that infants were members of that church.

1. This right of infant membership was established when that Church was organized. "Every man child among you shall be circumcised."

2. The door through which children entered into the Old Testament Church was circumcision.

3. The visible Church of God has always been the same. The Christian Church to-day is the Old Testament Church purged of the apostate Jews.

The good olive tree, representing the Church of the Jews, was not plucked up and a new one planted in its place. (Proof, Rom. xi: 18-21, 24.)

4. The right of infant membership existing in the Church has never been repealed; and it is a well known fact that a law once passed remains in force until formally repealed.

Now, as infants were members of the Jewish Church, and as the Gospel Church is but a continuance of the Jewish, and no repeal of this law of infant membership has taken place, the conclusion is inevitable that the right of infant membership remains intact.

5. Circumcision, with other forms of the Jewish Church, gave way to baptism in the Christian Church. Baptism, like circumcision, is an initiatory rite of admission into the visible Church. As circumcision was the gate for the Jew and Gentile proselyte into the Jewish Church, so baptism is the door into the Christian Church. Again, baptism, like circumcision, is a sign and seal of God's covenant. The children of believers hold a similar relation to the Christian Church, as the Jewish children did to the Jewish Church, the former entering the Church by baptism, and the latter by circumcision.

## II. CHRIST'S RECOGNITION OF INFANT MEMBERSHIP.

"Suffer little children to come unto me, . . . . . for of such is the kingdom of God." What is the meaning of "kingdom of God"? The kingdom is sometimes used to signify the visible Church on earth. Then again it is used to mean the Church of God in a state of glory. If we take the first meaning, then the passage would read: "For of such is the visible Church." Or let us take the other meaning—that the kingdom of God means the heavenly state. Then it teaches that all children are born in a salvable state. If they are then in the moral state, we think it is right to give them the sign of that state. Baptism is an outward sign of an inner grace.

We are shut up to one of two conclusions—either infants are not fit to go to heaven, or we must admit their fitness for baptism.

## III. THE APOSTLES PREACHED THE DOCTRINE OF INFANT CHURCH MEMBERSHIP.

Peter, in his Pentecostal sermon, expressly declared, "The promise is to you and your children." Never was there a better time for Peter to declare the repeal of the law requiring the children to be brought into the Church than this.

## IV. FAMILY BAPTISM.

Proof: "And a certain woman named Lydia, a seller of purple, of the city of Thyatira, which worshipped God, heard us; whose heart the Lord opened that she attended unto the things which were spoken of Paul. And when she was baptized and her household, she besought us, saying, If you have judged me to be faithful to the Lord, come into my house and abide there. And she constrained us." (Acts xvi: 14, 15.)

As an adult person, she repented and believed. And as nothing is said about her family repenting and believing,

but that they were baptized, the inference is that her family consisted of children too young to believe, and that they were baptized in the faith of their mother.

#### THE JAILER'S FAMILY.

"And they said, Believe in the Lord Jesus Christ, and thou shalt be saved and thy house. . . . . And he took them the same hour of the night, and washed their stripes; and was baptized, he and all his, straightway." (Acts xvi: 31-33.)

The term "household," in the ordinary sense includes all the children in a family.

Many attempts have been made to prove that there were no children in these families, but all such attempts are vain. Paul baptized the "household" of Stephanas. To follow apostolic example is to baptize entire families, and the continued practice of baptizing entire families is to baptize infants.

#### HISTORICAL STATEMENT.

From the year 400 A. D. to 1150 no society of men in all the period of 750 years ever pretended to say that it was unlawful to baptize infants. Irenaeus, who lived in the second century, declares expressly that the Church learned from the apostles to baptize children."—*Watson*.

So far as history affords any light, the baptism of children was practiced down to the eleventh century. About 1130 a body of Christians called Waldenses entertained the idea that infants were incapable of salvation, and therefore rejected infant baptism.

Since the Reformation of Luther, by far the greater portion of Christians have believed in and practiced the baptism of infants.

#### OBJECTIONS.

It is asked, "What is the benefit of baptism to children?" "What does the child know about it?" But don't you

see that these objections bear just as hard against circumcision? What did these infants know about it?

Again, the stale and standing objection is: "There is no express command for infant baptism." But there is a command for circumcision in the Old Testament, and baptism takes the place of circumcision. But waiving this point, will you show an express command for admitting *women* to the communion table. There is none.

## Rev. Solomon Pool, D. D.

[Condensed from Memoir by Rev. J. J. Renn.]

Rev. Solomon Pool, D. D., was born near Elizabeth City, N. C., April 21, 1832 and died in Greensboro April 9, 1901. He was buried in Greensboro.

His father, Solomon Poole, Sr. of English descent, was a large planter near Elizabeth City. His mother was Martha Gaskins of French Huguenot descent.

He was prepared for college in Elizabeth City, and in 1849, at the age of seventeen, he entered the State University, where he graduated with highest honors in 1853. In the December following his graduation, he was elected tutor of Mathematics in the University, and in 1860 he was raised to the adjunct professorship of Mathematics which position he held for six years. In 1869 he was elected president of the State University. This office he held until 1875, when he left Chapel Hill and became principal of a school in Cary, N. C., of which he remained in charge for three years.

On the 9th of June, 1856, he was married to Miss Cornelia Kirkland, of Chapel Hill, who has proved herself to be a most excellent wife and mother. To them were born six sons and two daughters, all of whom, with their mother, survive.

When about fourteen years of age he was converted in Elizabeth City during a revival conducted by the Rev. Mr. August, of the Virginia Conference, and joined the M. F. Church, South.

Near the close of the year 1856, he was licensed to preach. From that time he preached regularly once a month in the Chapel of the University, while there was an ever increasing demand for his services in other pulpits. He was ordained deacon at Raleigh by Bishop Early December 8, 1852, and Elder by Bishop G. F. Pierce at Fayetteville, N. C., November 11, 1865.

He was received into the North Carolina Conference in November, 1885. In 1885 he was appointed to Smithfield. In 1888 he was stationed at Tryon Street Church, Charlotte, remaining in the Western North Carolina Conference after its formation. In 1891 he was sent to Centenary Church, in Greensboro. In 1892 he was appointed to Central Church, in Concord. At the Conference of 1894, at his request, he was transferred to the North Carolina Conference, and again appointed to Smithfield. In 1895 he was appointed to Camden, near the home of his childhood. Just as he closed a revival sermon at South Mills, in Camden county Sep-

tember 2, 1896, he was stricken with paralysis. He rallied, consciousness returned, the power of speech was partially restored, but the old vigor was gone. At the Conference of 1896 he was placed in the superannuated relation. About that time he removed to Greensboro.

The death of Dr. Pool marks the passing away of a groat and good man. His life was many-sided. Tried on every side, it stands the test. Consider him.

### Rev. Alexander Raven.

[Condensed from Memoir by REV. F. D. SWINDELL, D. D.]

Rev. Alexander Ravencroft Raven was born in Snow Hill, N.C., November 23, 1838, and died in Mount Olive, N. C., April 8, 1901. His mother was Elizabeth A. Caraway, of New Bern, a woman of deep piety and of vigorous intellect.

He was converted while a young man, in a revival in Centenary Church-New Bern. Shortly after his conversion he was called of the Spirit to preach, but shrank from the call; but convinced that it was of God, he yielded, and was granted license by the Quarterly Conference of Centenary Church.

He was received on trial in the North Carolina Conference at Salisbury in 1861. As the editor of a religious paper his editorials were largely an appeal to the unsaved. For forty years, without a break in his service, he wrought as an itinerant preacher, beginning at Portsmouth and ending at Mount Olive. In all that time there was never a blemish upon his character, or shadow over his fair name.

He fully accepted the doctrines and polity of the Methodist Church. He preached these doctrines with clearness and power, and was constantly loyal to the polity of Methodism.

He was deeply interested in the work of missions, and started the first periodical in Southern Methodism devoted to that cause, the *Southern Methodist Herald*. In his home life he was kind, thoughtful, affectionate, and the hearts of his family were bound up in him.

His last marriage, was to Miss Nannie Styron, of Portsmouth, N. C. He lived very happily with her.

He leaves a daughter. His last illness was long and severe, but was borne with submission and resignation. Peacefully as a child goes to sleep, our brother closed his eyes in death, to enter upon

"The joys God hath in store,  
For his people evermore."

### Rev. Moses J. Hunt.

[Condensed from Memoir by REV. J. H. SHORE.]

Rev. Moses J. Hunt was born in Orange county, N. C., December 21, 1824, and died in Greensboro, N. C., July 6, 1901, aged 76 years 6 months and 15 days. He was married December 23, 1835, to Miss Virginia J. Townsend, of Person county, N. C., to which union were born three sons. His wife having died, he was married a second time—December 20, 1865—to Miss Sarah J. Baker, of Franklin, N. C., who, with four sons and three daughters, survives him.

His early opportunities for acquiring an education being limited, he was denied the equipment of a collegiate training. When nearly seventeen years of age he sought the Saviour, and was born into the Kingdom of God in a meeting at Plank Chapel, in Franklin county. He united at once with the Methodist Episcopal Church.

In a paper, written a short while before his death, he says: "I have never, in all these years, doubted my conversion. I consecrated my all to God and His Church. I prayed much, read and studied the Bible, and made it the guide of my life."

In 1849 he was impressed to preach the Gospel of Christ. He felt the solemn responsibility, and entered school at once to secure the best possible preparation for the work to which God had called him. He was licensed to exhort in 1851, and licensed to preach in 1853. He was received on trial in the North Carolina Conference in a class of thirteen, at the session of Conference held in Wilmington in 1855. He was ordained a Deacon in 1857, and ordained an Elder in 1859. He served the following charges:

1856, second man. Roanoke circuit; 1857, second man, Granville circuit; 1858, Sampson circuit; 1859, Guilford; 1860-'61, Roanoke Colored Mission; 1862, without appointment at his own request; 1863, second man Raleigh circuit; 1864-'65, Nashville circuit; 1866, second man Tar River circuit; 1867, Nashville circuit; 1868, Raleigh Mission; 1869-'70, Nashville circuit; 1871-'74, Rock Spring Mission; 1875-'77, Youngville circuit; 1878-'80, Forsyth circuit; 1881, Fairfield circuit; 1882, Columbia circuit; 1883-'84, Yadkinville Mission; 1885, -Agent American Bible Society; 1886-'89, Forsyth circuit; 1890-'91, Pleasant Garden circuit.

The Conference having been divided, he was transferred to the North Carolina Conference at the session held in December, 1891.

1892-'95, Alamance circuit; 1896-'98, second man Burlington, Graham, and Haw River.

He was granted a superannuated relation at the Conference held at Elizabeth City in December, 1898. He loved to preach, and continued to do so as long as he was able to get to an appointment.

Bro. Hunt was a member of the North Carolina Conference for nearly half a century, and was one of our most successful soul-winners. He witnessed the conversion of nearly 4,000 souls during his ministry. He was a sound Gospel preacher. He knew and loved the doctrines and polity of Methodism.

He died while the Durham District Conference was in session, and he sent a message saying: "Tell the brethren I have a clear passport to heaven."

### Rev. R. S. Webb.

[Condensed from Memoir by REV. J. R. SCROGGS

Richard Stanford Webb was admitted on trial in the North Carolina Conference, December 14, 1859. He was received into full connection and ordained Deacon December 8, 1861; ordained Elder December 3, 1863; and after nearly forty-three consecutive years in the itinerancy, died at Greensboro Circuit parsonage, on November 20, 1901. He never missed a roll call of his Conference for forty years, and on the very day that his Conference met, he answered to the roll call "up yonder."

Truly a noble man and a true servant of God has been taken from us. During his long and successful pastorate, Bro. Webb served the following charges: 1860, South Iredell; 1861, South Guilford; 1863, Pittsboro; 1864-5, Chaplain in the Confederate army; 1866-7-8, Durham 1869-'70-'71, Topsail; 1872-3-4-5, Alamance; 1876-7-8-9, Tar River; 1880-1-2, Ridgeway; 1883-4, Warrenton; 1885-6-7-8, Wadesboro; 1889-'90-'91, Rock Spring; 1892-3-4-5, Statesville Circuit; 1896-7-8-9, Randolph; 1900-'01, Greensboro Circuit. This was his last charge.

He was closing up his second year on this work when he was taken sick, and after greatly suffering for about six weeks, he quietly fell on sleep in Jesus. In the death of Bro. Webb the State has lost a noble citizen, and the church a useful and consecrated minister.

As a man he was noble, pure and brave; true, guileless, courageous; truly a man of God, deeply pious wholly consecrated. He was a man of strong convictions, positive, honest. As a preacher he was earnest, doctrinal, evangelical, sound, safe, spiritual.

As a pastor he was tender, wise, sympathetic; it was his constant desire and endeavor, both by precept and example, to lead his flock to large and holier living.

As a worker he was diligent, untiring, successful, few men did more than he in revivals, and in building houses for worship and parsonages. And he always worked uncomplainingly, courageously, hopefully.

He had fought the good fight, and when the time of his departure was at hand, he was ready. He said that he did not fear death and that he loved every body.

Two days before Conference he told his Presiding Elder to ask the committee on Conference Relations to grant him the superannuated relation, but before we came to his name, God had translated him to the ranks of the eternally redeemed. We know our loss is his gain.

# BLACKSTONE FEMALE INSTITUTE.

NORTHEAST VIEW OF BUILDING.

**Motto:** THOROUGH INSTRUCTION, UNDER POSITIVE CHRISTIAN INFLUENCES, AT THE LOWEST POSSIBLE COST.

A CHRISTIAN TRAINING SCHOOL FOR GIRLS. OPENED IN 1894.  
IS THIS SCHOOL THE SCHOOL FOR YOUR DAUGHTER?

## PERTINENT FACTS.

### BUILDING AND GROUNDS.

*The Grounds* comprise twenty-five acres, well located, elevated, with fine natural drainage.

*The Building* is a handsome brick building, erected specially for school work from plans, the outcome of practical experience. There are three stories and basement—main building 260x40 feet, with wing 60x40 feet; wide verandas; large and airy study hall, class-rooms, music hall, gymnasium, and bed-rooms (only two girls in a room); electric lights; water on every floor, with fire-plugs every fifty feet; Peck-Hammond system of heating (fresh air taken from outside, driven by fan over hot furnaces to the various parts of the building); Peck-Hammond system of sanitation (fire and evaporation, instead of drainage and sewers); all parts of building so connected that no exposure of pupils to weather necessary at any time.

### CHARACTER.

I. *Christian*.—It was built by the Methodist Church with one single purpose—namely, to furnish thorough instruction under positive Christian influences.

II. *Thorough*.—There are ten Randolph-Macon graduates in the Faculty. The Principal, Vice-Principal, and the heads of all departments are Randolph-Macon graduates, and have been specially commended by the Randolph-Macon faculty for their work. There is no vain pretence or show. "Thorough" is the first word and the last word in the work of the school.

III. *Successful*.—The purpose and work of the school have commended it to parents. *Growth*.—Number of boarding pupils year by year for seven years—29, 58, 136, 147, 153, 176. Number of officers and teachers in 1894, six; at present, twenty. Value of grounds and building in 1894, \$25,000; at present, \$65,000.

## Three Courses.

REGULAR COURSE leads to Diploma of Graduation at the Institute.

TEACHER'S COURSE gives special preparation for those desiring to teach; Theoretical and Practical Pedagogy Courses. Pupils are taught to teach by actual teaching in Model School and criticism by teachers.

WOMAN'S COLLEGE COURSE prepares directly for Randolph-Macon Woman's College. An extract from a letter written by President Smith, of the Woman's College, is to the point: I take pleasure in saying that the three students who came to us last year as graduates of your excellent institution entered college classes, and showed themselves qualified for them. This is no more than must reasonably be expected, seeing that your course has been so carefully adjusted to ours and ten of your faculty are Randolph-Macon graduates."

Send for catalogue, giving full information and illustrated to show floor-plans, and special adaptation of the building to the work. Address

## TIME

The calculations of this Almanac are made in mean solar or clock time, which is indicated by a well regulated watch or clock, and does not correspond with the Sun precisely, except on four days in the year.

Apparent time is that which makes the Sun come to the meridian at 12 o'clock. No good clock will run with the Sun; if set with the Sun on the 2nd day of January, the clock will seem to be one minute too fast on the 3rd of January.

To adapt the calculations of this Almanac to apparent time, use the minutes in the column marked "Sun slow" or "Sun fast;" add them when fast, subtract them when slow.

The calculations are made for the Latitude and Longitude of Raleigh, N. C., but the time, phases, etc. will vary only a few minutes for any part of North Carolina, South Carolina, Georgia, Tennessee or Virginia.

To know where the sign is, find the day of the month; and against the day in the column; marked Moon's Signs you have the sign or place of the moon, and then find the sign it will give you the part of the body it is supposed to govern.

## HERSCHEL'S WEATHER PROGNOSTICATOR.

*For Foretelling the Weather Through all the Lunations of the Year.*

This table and the accompanying remarks are the result of many years' actual observation, the whole being constructed on a due consideration of the attractions of the Sun and Moon, in their several positions respecting the Earth, and, by simple inspection, it shows the observer what kind of weather will most probably follow the entrance of the Moon in one any of its quarters, and so near the truth as to be seldom or never found to fail.

If the new moon, first quarter, full moon, or last quarter, happen—	IN SUMMER.	IN WINTER.
Between midnight and 2 in the morning.....	Fair.....	Hoar frost unless the wind is S. or S. W.
Between 2 and 4, morning {	Cold, with frequent showers.....	{ Snow and stormy.
Between 4 and 6 morning {	Rain.....	Rain.
Between 6 and 8, morning {	Wind and rain.....	Stormy.
Between 8 and 10, morning {	Changeable.....	{ Cold rain if wind be W., snow if E.
Between 10 and 12, morning {	Frequent showers.....	{ Cold and high wind.
Between 12 o'clock at noon {	Very rainy.....	Rain and snow.
Between 2 in afternoon {	Changeable.....	Fair and mild.
Between 2 and 4, afternoon {	Fair.....	Fair.
Between 4 and 6, after'n {	Fair if wind N. W., rainy if S. or S. W.	{ Fair and frosty wind N or N. E; rain or snow if S. or S. W.
Between 8 and 10, afternoon {	Ditto.....	Ditto.
Between 10 and midnight {	Fair.....	Fair and frosty.

OBSERVATIONS—I. The nearer the time for the Moon's change, first quarter, full and last quarter are to midnight the fairer will be the weather during the next seven days.

2. The space for this calculation occupies from 10 at night until 2 next morning.

3. The nearer to midday or noon the phase of the Moon happens, the more foul or wet weather may be expected during the next seven days.

4. The space for this calculation occupies from 10 in the forenoon until 2 in the afternoon. These observations refer principally to the Summer, though they affect Spring and Autumn nearly in the same ratio.

5. The Moon's change, first quarter, full and last quarter happening during six of the afternoon hours; *i. e.*, from 4 to 10, may be followed by fair weather, but this is mostly dependent on the wind, as is noted in the table.

6. Though the weather, from a variety of irregular causes, is more uncertain in the latter part of Autumn, the whole of Winter and beginning of Spring; yet, in the main, the above observations will apply to those periods also.

7. To prognosticate correctly, especially in those cases where the wind is concerned the observer should be in sight of a good vane, where the four cardinal points of the heavens are correctly placed.

# Louisburg Female College.

This is one of the OLDEST INSTITUTIONS OF LEARNING IN THE State, having been in successful operation more than one hundred years. It was first chartered as the "Louisburg Female Seminary," but in 1857, when a new building was erected at a cost of \$10,000, a new charter was granted, and the name changed to Louisburg Female College. This institution was never in a more prosperous condition than at present. The building is full to its utmost capacity, and many young ladies have been refused admission for want of room. Others have found boarding accommodations in private families in town. It has ever been the object of those now in control of this institution to place higher education within easy reach of young ladies of limited means, and in order to reach that desirable end,

# Rheumacide Cured Hon. H. H. HARTLEY.

"TYRO, N. C., May 10, 1901.

*The Bobbitt Drug Company, Raleigh, N. C.*

GENTLEMEN:— 'I had rheumatism for more than 15 years in my right arm and shoulder. Tried many remedies without relief. In fall of 1899 my shoulder became stiff, and I could not use it. Mr. J. B. Smith, druggist of Lexington, recommended RHEUMACIDE. I bought one bottle and before using half of it, found it was relieving me. Before finishing the third bottle I could raise and straighten my arm, and it has cured me.

Very respectfully

(Signed,

H. H. HARTLEY."

Mr. Hartley is one of the most prominent and highly respected citizens of Davidson county, and represented his county in the last Legislature. RHEUMACIDE is the standard rheumatic remedy. Avoid substitutes. All druggists sell it. PRICE, \$1.00.
